

# Research Study: Investigational Research LIGHT THERAPY

to improve **Thinking and Memory**  
for **Traumatic Brain Injury**

## WE ARE LOOKING FOR PEOPLE WHO:

★ Are veterans and non-veterans ages 18-65

★ Have experienced at least 1 **Mild or Moderate** Traumatic Brain Injury  
(*more than 6 months ago*)

★ Have had only closed head injuries that *did not*  
require any surgical procedure

★ Have access to a computer to complete online aspects of study

**If you answered yes to the above, you may be eligible to participate  
in a research study.**

The main aspects of the study are contact-less.

Study sessions will take place online  
and treatments will be done by you, at your home.

If MRI scans are done, they will be in-person at the  
NeRve Center, VA Boston Healthcare System:  
150 So. Huntington Ave., Boston MA 02130
